THE 4 PILLARS OF ENAB

LOVE

We cover one another in love. 1 Peter 4:8

HONOUR

When we sow in honour into what Yahweh is doing in and through others, our honour becomes a weapon that obliterates all that would hinder the greater exploits He has laid out for us to do in business.

HARVEST

What we do with our harvest matters. ENAB is an invitation to activate the truth that we are bountiful sowers and reapers.

KINGSHIP

A seed of kingship is being sown into those who are being raised up in the business arena. It requires kings to raise kings.
